

## FRONT LOAD WASHERS

### WM2233H

#### Performance

- XL Capacity (3.83 cu.ft. IEC)
- Direct Drive Motor for the ultimate in durability and reliability
- 1100 RPM maximum spin for efficient water extraction

#### Intelligent Fabric Care

- SenseClean™ System for intelligent fabric care, water and energy efficiency
- Water Heater
- 7 Washing Programs
- 5 Temperature Levels
- 4 Tray Detergent Dispenser
- RollerJets™
- Sanitary Cycle
- Delay Wash by 19 hours for washing convenience

#### Style and Design

- Upfront Electronic Control Panel with Dial-A-Cycle™
- Chrome Rimmed Door with Clear Glass
- Stackable with Matching Dryer (DLE3733/DLG3744)
- Optional Drawer Pedestal

#### Environmentally Friendly

- LoDecibel™ Quiet Operation
- Highly Energy and Water Efficient

White

Titanium

LG front load washers exceed Energy Star® classifications by a minimum of 39%.

# FRONT LOAD WASHERS

## Stackable or Side by Side?

Your Choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our 13" high drawer pedestals. It also doubles as a great place to store laundry products.

## Electronic Control Panel with Dial-A-Cycle™

Intuitive controls allow you to "press and go".

## Direct Drive Motor

Power is delivered right to the drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.

## SenseClean™ System

The water level and wash time are set automatically based on the weight and size of each load for optimal washing care.

## Sanitary Cycle

Get tough stains and bacteria out of dirty clothes with this special cycle that boosts water to 158°F.

## LoDecibel™ Quiet Operation

Direct Drive and auto balancing reduced noise dramatically compared to conventional motors.
